

TO STRUGGLE IS TO REMEMBER

**DAY OF THE FOREST DEFENDER
JANUARY 18th**

**POLICE
ARE STATE
MURDERERS**

**A CALL TO ORGANIZE EVENTS IN
MEMORY OF TORTUGUITA, TOWARDS
A BETTER WORLD.**

Organize an informational event on those living under siege. Host a power mapping session against a local police foundation, detention center, or surveillance network. Put on a letter writing event for our political prisoners, like the Prairieland defendants. Organize a show to raise funds for a good cause, or an action to do harm to a bad one. Plan to defend a forest from destruction. Hold a vigil to honor Tortuguita.
