

On January 7, 2026, ICE agent Jonathan Ross shot and killed Renee Good in Minneapolis. This is just one in a long series of killings carried out by ICE. Targeting immigrants is just their cover story—the true purpose of ICE is to serve as a secret police force in order to impose a totalitarian regime.

There is nothing more despicable than a person who is willing to kidnap and even murder his neighbors in return for a bribe. Mercenaries who are prepared to serve tyranny represent the most dangerous element in society. Those who hire themselves out to ICE are traitors to humanity.

By standing up to ICE, we open up the path to a better future, a world in which no one has to live in fear of militarized bounty hunters. No politician or political party will do this for us. **Stop them before they kill again:**
