

IMMIGRANTS WELCOME

The border is not a wall—it's a system of control.
It doesn't protect people; it pits them against each other.
It doesn't foster togetherness; it breeds resentment.
It doesn't keep out predators;
it gives them badges and guns.

The border does not divide one world from another.
There is only one world, and the border is
tearing it apart.

INMIGRANTES BIENVENIDXS

La frontera no es un muro: es un sistema de control.
No protege a la gente: la enfrenta entre sí.
No promueve el compañerismo: crea resentimiento.
No deja fuera a lxs predatorxs: les da placas y pistolas.

La frontera no divide un mundo de otro.

Solamente hay un mundo, y
las fronteras lo están destrozando.
